This bulletin is to advise all racing entertainment centre (REC) facility licensees and registered gaming workers of **IMPORTANT AMENDMENTS** to the Racing Entertainment Centre Terms & Conditions and Operating Guidelines (RECTCOG).

The following RECTCOG policies are effective April 6, 2020:

- In keeping with Government of Alberta red tape reduction initiatives, these amended policies include changes that provide industry stakeholders with increased flexibility and efficiency in running their operations:
 - Subsection 3.13 has been amended to streamline process and operations respecting access to restricted areas in a licensed facility.
 - Sections 4 and 5 have been amended to remove the requirement that licensed facilities must receive approval from AGLC before access logs can be destroyed.
- The following Summary of Policy Amendments provides an overview for these and other changes that will help remove redundant policy and reduce red tape for REC facility licensees.
