CPTPP Completion Instructions

Blanket Period

Complete for the calendar year (01/01/20XX to 31/12/20XX). Cannot exceed 365 days.

Certifier

The certifier must be either the Exporter or Producer. Provide the certifier's name, address (including country), telephone number and e-mail address.

Exporter

Provide the exporter's name, address (including country), e-mail address and telephone number if different from the certifier. This information is not required if the producer is completing the certification of origin and does not know the identity of the exporter. The address of the exporter shall be the place of export of the good in a TPP country.

Producer

Provide the producer's name, address (including country), e-mail address and telephone number, if different from the exporter or, if there are multiple producers, state "Various" or provide a list of producers. A person that wishes for this information to remain confidential may state "Available upon request by the importing authorities". The address of a producer shall be the place of production of the good in a TPP country.

AGLC Product Code and Description

The description should be sufficient to relate it to the good covered by the certification.

The liquor agency may provide the product codes to the certifier.

Do not include products which already enter Canada duty free (beer, sparkling wine, tequila).

HS Tariff Classification of the Good

Provide the HS tariff classification of the good to the 6-digit level.

Country of Origin

The name of the country in which the liquor was produced.

Origin Criterion

WO – Wholly Obtained or Produced Good

PE – Produced entirely in the territory of one or more of the Parties exclusively from originating materials.

PSR – Goods produced entirely in the territory of one or more of the Parties using non-originating materials.

Authorized Signature and Date

The certification must be signed and dated by the certifier. Indicate whether the certifier is the exporter or producer.
